

## A WORD FROM CHARLIE

### left January's pastor's conference asking myself,

"What exactly happened at these conferences?" When I heard and read the testimonies from the pastors, I see that many of them seemed to understand the gospel for the very first time. Were they saved at the conferences?

I don't know, and I don't really need to know. God knows. All I know is that there are hundreds of pastors rejoicing in a new freedom in Jesus Christ and His complete provision for their salvation—and hundreds more women and children! Our team of seven ministered to over 900 people total in two cities.

You can read the grateful pastors' words inside this newsletter. Their words are only a sample and can never convey the total impact of our ministry with them.

And when I was in India, my second granddaughter, Audrey Grace, was born! I was able to share the moment with the team and the pastors.

Now I am planning two trips to Ghana (West Africa) this summer to train hundreds more pastors. Before then, I will continue to teach, preach, and write as I find the time in a very busy spring season.

I appreciate your prayers and support that allow this ministry to make a difference in so many lives by simply sharing God's grace.

Until all hear,

*Charlie*

# Up Close: "Grace is sweet" in India

So says one of the 300 plus pastors trained in January's India mission. Charlie and the team from **Stough Memorial Church** (Pineville, NC) assisted **Daniel Oswald** of **Crossworld Ministries**, India, to teach over 900 people (including women and children) in two cities (Hyderabad and Kurnool). All were taught the life-changing message of God's grace. Read their words!

*I am very much encouraged by the conference in Hyderabad. I am teaching the materials I received. I am understanding His grace more and more. Grace is sweet.*

— Pastor Mathew

We are all rejoicing because of the God of Grace who has made us understand this grace through Crossworld's ministry and the partners from America. The field is ripe for harvest. Many do not know this God of All Grace. We are beginning to rightly interpret the Scriptures for the first time. — Pastor Jeremiah

***In the survey question about what I must do to be saved, I wrote we must be baptized. But now I came to know that by faith alone we are saved. If I live to do it, I will attend every such conference.***

— Pastor John Vijay Christ

*Thanks for inviting us. We cannot forget the grace message we have been hearing from Charlie and his team for the past two years. I get tears of joy whenever I meditate on the messages we heard at the conference.*

— Pastor Emmanuel

I had doubts about faith and works for ten years, but now all my doubts have cleared away. I have thirty pastors as my friends and I promise you I will teach them this truth and they will teach thirty others.

— Pastor Elijah

***Grace brings me into the deepest levels of the Word of God. . . I praise God for you that He would bring you thousands of miles to come here and bring us the truth. God chose you and sent you to make us disciples. Thank you very much.***

— Pastor Joseph

# Ministry in Focus

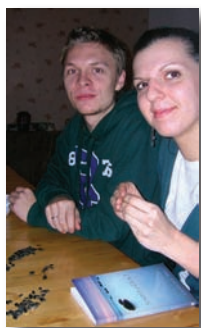

Sharing the gospel of grace with the unsaved . . .

. . . and the grace of the gospel with the saved.

## Back to Back to Ghana

Charlie will be taking a team to teach pastors in two cities in Ghana in July, then return to train hundreds of other pastors in two cities in September. God has opened some exciting doors of opportunity for the grace message. Please pray for these opportunities and consider helping with a special gift. Thank you for helping share God's grace around the world.

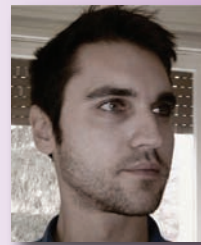

*Simply by Grace* recently traveled to Russian pastors and is now headed to pastors in the Philippines.

## Encouraging Words

Dear Charlie,

*I was pretty much ensnared in the Lordship salvation position for years. I'd just like to say that your (Lordship Salvation) book—which I'm still reading—is a lifesaver to me, along with some of your downloadable sermons ("Grace and salvation," "Grace to be sure" and "Free to serve" in particular). Thank you and God bless you.*
