

*bringing grace to life*

## A WORD FROM CHARLIE

I believe God answers prayers, but He nevertheless amazed me with the results of our two recent pastors' conferences in India. Feedback from the pastors confirmed the impact we had (Dale Taliaferro of Equipped for Life Ministries taught with me). Just read some of the testimonies inside this newsletter!

In Kakinada, on the southeast coast of India, we taught 400 pastors who told us this was the first time that they had been taught by preachers from the west. They sat and took notes attentively for four days. In a land where few believe in eternal security, we left these pastors rejoicing in the security of their salvation.

In a second conference in Hyderabad, I also taught Romans but did not have the time to finish. Apologizing to them I casually said, "When I come back I will finish the book of Romans." I was interrupted by spontaneous and enthusiastic applause!

This is how so much of the world hungers for Bible teaching and how the grace message liberates from insecurity and fear. It is exciting to think that our ministry to these 600 pastors will be multiplied 100 times as they go back and teach their congregations.

This spring I will be busy with ministry in the U.S. and will also be busy preparing for our July team mission trip to Ghana where we will train more Christian leaders and share the gospel of grace.

I am amazed and grateful when God does "exceedingly above all that we ask or think." And I am grateful to you for your part in prayer and financial support that has changed so many lives around the world through this ministry. Please pray with me that God would continue to use GraceLife strategically for His glory.

Until all hear,

Charlie Bing

### Next Stop: Ghana

Our team is getting ready for a July mission to Ghana where we will again train church pastors and leaders and share the gospel in schools and communities. We were invited by Fred Amoah Darko of Ambassadors for Christ International, who recently visited with the team in Texas.

We are trusting God to meet our need for about \$5,000 for textbooks and facility rental in Ghana. This is not in GraceLife's budget and is in addition to each team member's own support which they have to raise. We also have a request from Ghana for 400 *Living in the Family of Grace* books, an additional \$4,000 expense. Thank you for praying with us about these needs!

# Ministry in Focus

Dear Brother Charlie Bing,

I am writing this email to THANK YOU for your kind visit and to thank you for conducting the pastors' meeting with so many pastors. I am receiving wonderful phone calls from the pastors and they are all expressing how much blessings they received by listening to the TRUE gospel from Romans and from the book of John. Many pastors are saying that they spent all these years with much fear and insecurity in their lives. Now, after they listened to your message from the Book of Romans, the pastors and their congregations are secured with eternal life. By my self, I am 100% secured with my eternal life. Today in my church, I shared some verses from the book of Romans and the church started clapping with great joy and happiness as they are now secured with eternal life. I thank you, and I especially thank all the people who supported you financially to come to India – especially to Kakinada to spread the TRUTH in these last days.

Hyderabad

Charlie Bing's visit to Hyderabad for Crossworld Ministries 5<sup>th</sup> Annual Conference was a blessing and encouragement to me and the team. It is a breath of fresh air to find someone who has come half way across the world and has the same understanding of the gospel and the same views on Bible doctrine. His teaching on Romans at the conference was effective and very well received by the pastors attending the conference. — Daniel Oswald —

## Tools you can use

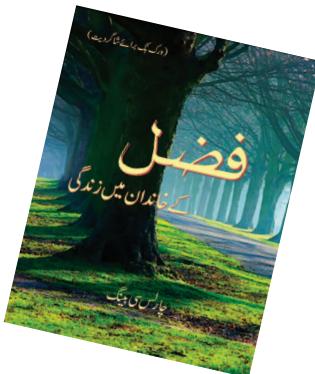

A note about *GraceNotes*. JVR (Texas) took time to write this testimony:

*The GraceNotes no. 38 [Giving a Clear Gospel Invitation] was absolutely wonderful to read. I have been preaching this way for 46 years. There is nothing better than the clarity of the gospel. To hear someone preach the message of God's grace with a proper invitation is something I do not see often. ... I love passing GraceNotes to other pastors when I speak in churches that are not as clear.*

You can download any *GraceNotes* for free at our [GraceLife.org](http://GraceLife.org) web site, copy them from this newsletter, or order hard copies or a CD of the whole collection.

### *Living in the Family of Grace*

update. Good news! God has provided the means for the Pakistan version of LFG to go to printing.

## Falling from Grace

From one bumper sticker to another:

Thank God I'm an atheist.

God doesn't believe in atheists.

## Encouraging Words

Testimonies from the India pastors' conferences:

*I am so blessed to hear the gospel preached by Bro. Charlie Bing and Bro. Dale Taliaferro. Now, I am sure that I have eternal life. Wherever I go, I will preach this message to the people. I am blessed to hear the TRUTH from you Charlie. Thank you very much. — Pastor T. Isaac*

*Through this seminar, I am very much blessed about the message of Grace. Now a days, no one knows this message of Grace and I believe that every one should know about this. — Pastor S. Salmon Raju*

*I am so blessed to attend the conference in Kakinada. I am now filled with great joy and happiness because of eternal security. The subject on Romans is WONDERFUL. Now, I cannot wait to share this truth with my church and wherever I go. — Pastor G. Abraham*

*I thank you so much for the wonderful truth that you revealed which is very essential to me. I have preached the gospel for the last 12 years but by myself. I never knew whether I am going to heaven or not. But now, after I hear about eternal security, I am sure that I have eternal life. Now, I will start sharing this truth with everyone I meet. Thank you and please come again to Kakinada as I want to hear more and more from you. — Pastor M. Thomas*
