

A WORD FROM CHARLIE

Christmas greetings to you! So, we've made it to the end of the year and are about to launch into another.

And what a year it's been! On the one hand, our nation was divided in a caustic election and the world is groaning under the murderous machinations of evil people.

But lift up your eyes and behold the Lord! He is gloriously at work, not in the institutions of men, but in the hearts of people around the world, changing them one by one.

It has been my privilege to see people find joy and peace across the USA and around the world through the gospel of God's love and grace. Sometimes laboring with others on GraceLife teams, we have preached it and taught it, and have provided books and literature in more than a half dozen languages.

You are part of our team when you pray for us, share our literature, support the ministry, or just rejoice with us when you see our reports. I thank God for a good year that you made possible and look forward to watching God give more fruit in 2017.

Jesus is alive and powerful, and His kingdom is coming. Meanwhile, we will keep doing what we can to populate and prepare people for His kingdom. We will proclaim the gospel of grace to the unsaved and the grace of the gospel to the saved.

Thank you for hanging with us. Karen and I wish you a blessed merry Christmas and a happy New Year.

Until all hear,

Charlie Bing

The day after: Santa relieves Christmas stress

Gracelife has created a scholarship fund to help students prepare for ministry. Here are examples of men that we helped raise up and pay for ministry studies.

"I am excited about this opportunity to further my education. Thank you!" Pastor Cephas Tonugble, Ghana

"Last week, these two men (Starry and Kee from Myanmar) arrived here at Word of Life and are excited to see how God is going to work in their life this year as they grow in their understanding of the Word of God and Youth Ministry."
