

A WORD FROM CHARLIE

“God is doing amazing things around the world through GraceLife.

Consider what He did with our ministry teams in Africa this summer. In **Ghana**, we preached to hundreds and trained about 250 total in our GraceLife Institute and with the Free Grace Alliance. When I preached on assurance of salvation and gave an invitation at a church, about 20 people responded that they would no longer trust in their works, but in the finished work of Christ. Many pastors and leaders were also persuaded.

In **Burundi**, our GLI team trained about 130 pastors, leaders, and women leaders. They were eager learners and responded well to the teaching.

In **Myanmar**, we just reprinted 5000 copies of *Simply by Grace* in Burmese.

This is the fifth printing of that book for Myanmar! (see photo at left). The book, *Living in the Family of Grace* is now translated into **Spanish**.

Besides all this, I did a lot of conference and church speaking in the USA.

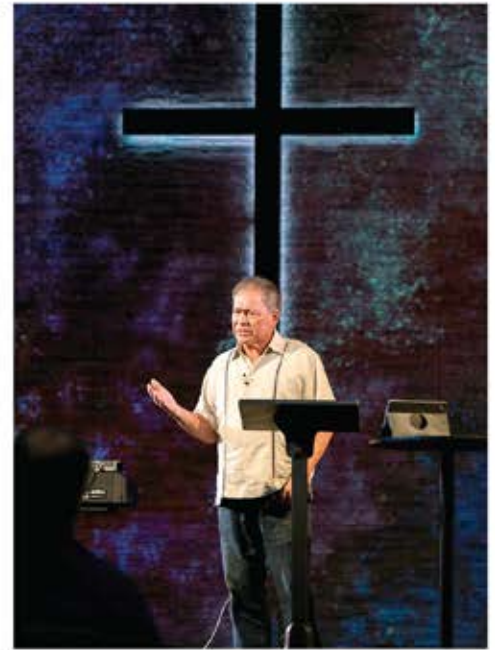

It is not just general Bible teaching that GraceLife shares. You know that *our priority is the gospel of grace for unbelievers and the grace of the gospel for believers*. We build only on that foundation. As the Apostle Paul said, “For I delivered to you first of all that which I also received: that Christ died for our sins . . .” (1 Cor. 15:3), in other words, Paul started with the gospel of God’s grace as the foundation for all that he later taught.

There is every reason to believe God will continue to use this ministry in the days ahead. In addition to speaking in the USA, I have scheduled conferences and teaching in Nassau (October), Peru (January), Philippines (March), then Africa again next summer.

I am energized and encouraged to see that your prayers and support are bearing eternal fruit for God’s glory. Thank you for your part in His work!

Until all hear,

Charlie Bing

From an email from Europe
Dear Charlie and GraceLife Ministry,
Greetings from Budapest HU, a far-away part of the world that has been traditionally Grace-starved, having to deal with an almost exclusively Catholic and Reformed past and present. As a local Christian, I'd like to express my gratitude for GraceLife, including its online resources, as it's a huge gift that keeps giving. . . I was Lordship Salvation purist myself as a young Christian, and did live a life of vaguely quiet desperation, so to speak, until I stumbled upon Free Grace material, especially Charlie Bing's own works. So thank you forever. God bless you and keep fighting the good fight. Andras G.
